Plaquemines Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Hilcorp Energy Company, to the Commissioner of Conservation for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the CC-6 RA SUA, in the Lake Washington Field, Plaquemines Parish, Louisiana, for which a unit was established and rules and regulations adopted by Office of Conservation Order No. 149-S, effective February 14, 1978.

1. To designate the Hilcorp Energy Company - Cockrell A No. 153 Well as a substitute unit well for the CC-6 RA SUA, in the Lake Washington Field, Plaquemines Parish, Louisiana, as shown on the plat which is attached hereto and made a part hereof.
2. To designate Hilcorp Energy Company as the unit operator.
3. Except as may be in conflict with the provisions hereof, the provisions of Office of Conservation Order No. 149-S shall remain in full force and effect.

The Hilcorp Energy Company (formerly Signal Petroleum) - Cockrell A No. 133 Well, the present unit well, ceased to produce in July, 1979. The proposed substitute unit well will allow for the recovery of hydrocarbons within the existing unit which would otherwise be lost.

The CC-6 Sand, Reservoir A, in the Lake Washington Field, Plaquemines Parish, Louisiana, was fully defined in Office of Conservation Order No. 149-S, effective February 14, 1978.
